The Yao system offers several pre-defined approval structures to suit the specific needs and hierarchy of your firm.

- **None (optional draft):** No internal approval is required; invoices are sent directly to your Xero instance.
- **Supervisor approval:** Requires a designated supervisor to review the invoice.
- **Accountant approval:** Requires the accountancy team to review the invoice.
- **Lawyer approval:** Requires the responsible lawyer to review the invoice.

- **Lawyer & Accountant approval:** A two-stage process involving both roles.
- **Supervisor & Accountant approval:** A two-stage process involving both roles.
- **Lawyer, Supervisor & Accountant approval:** A comprehensive three-stage approval process.

2. Select the radio button next to your chosen flow.
