Sprint 81

2026-03-12 -- [Comments \(0\)](#) - [Releases](#)

Sprint 81

This sprint focused on improving global document search and navigation, and adding safeguards to prevent duplicate billing.

1. Search Global Documents

- **Summary:** Improved global document search, previews, and navigation so users can quickly find and open ledgers, forms, and correspondence with a consistent experience.
- **Assignee:** Rafael

2. Invoice - Duplicate Entry Warning - Time entries

- **Summary:** Added a duplicate-fee warning during invoice creation to prevent the same time entries and disbursements being billed on multiple invoices.
- **Assignee:** Igor
