## Sprint 83

2026-03-18 -- [Comments \(0\)](#) - [Releases](#)

## Sprint 83

This release from Sprint 83 (Mar 9-22) improves visibility into urgent work with a new counter that highlights tasks that need attention right from the main Tasks menu.

### 1. Counter on LH Navigation>Tasks menu

- **Summary:** Added a configurable task counter in the left-hand Tasks menu so users can quickly see how many urgent and critical tasks they have due or overdue.
- **Assignee:** Igor
